

Single Dose Toxicity Study Report

STF-100
Mouse, Rat, Oral
<Generic Name/Trade Name>
<Protocol Identification (Code or Number)>

Author: <Name, highest academic degree>
<Address>

Report Date: <Date>

Study Director: <Name, highest academic degree>

Test Facility: <Test Facility Name>
<Facility Address>

Study Initiated: <Study Initiation Date>

Study Completed: <Study Completion Date>

The investigations were conducted at the following research site:

<Enter research site information>

GLP Compliance

This study was conducted in compliance with the good laboratory practice regulations under 21CFR Part58.

☐ Yes, sign below

☐ No, provide a brief statement below and sign below

2. Synopsis

Title of Study:	
Investigators:	
Studied Period:	
Study Start Date:	
Study Completion Date:	
Purpose:	
Animals:	
Test Article(s):	
Methods:	
Summary – Conclusions Results:	
Conclusion(s):	
Report Date:	

Table of Contents

1.	Title Page	1
	GLP Compliance	2
	Sponsor Signature	3
	Quality Assurance Statement.....	4
2.	Synopsis.....	5
3.	List of Abbreviations and Description of Terms	8
4.	Introduction.....	9
5.	Objectives of the Study.....	10
6.	Procedures	11
7.	Statistical Methods.....	12
8.	Personnel	13
8.1	Study Director	13
8.2	Other Scientists, Professional or Supervisory Personnel	13
8.3	Quality Assurance Unit	13
9.	Animal Care Facilities.....	14
10.	Animal Care	15
11.	Test and Control Articles.....	16
11.1	Test and Control Article Characterization.....	16
11.1.1	Name.....	16
11.1.2	Chemical Abstract Number (or Code Number).....	16
11.1.3	Strength.....	16
11.1.4	Purity.....	16
11.1.5	Composition.....	16
11.1.6	Other Characteristics	16
11.2	Stability	16
11.3	Methods.....	16
12.	Protocol.....	17
13.	Reagents and Solutions	18
14.	Conduct of Nonclinical Laboratory Study.....	19

15.	Test Systems	20
15.1	General Considerations on Test Systems.....	20
15.2	Use of In Vivo and In Vitro Studies	20
15.2.1	Dosage and Regimen.....	20
15.2.2	Route of Administration.....	20
16.	Dose Levels or Concentration of Test Substance	21
16.1	In Vivo Studies	21
16.2	In Vitro Studies	21
17.	Duration of Study	22
18.	Safety Pharmacology Core Battery	23
19.	Follow-Up and Supplemental Safety Pharmacology Studies	24
20.	Circumstances that Affected the Quality or Integrity of the Data	25
21.	Storage of Data.....	26
22.	Summary and Analysis of the Data	27
22.1	Conclusions from the Analysis.....	27
23.	References.....	28
24.	Attachments and/or Appendices	29
24.1	Protocol and Amendments.....	29
24.2	Signatures of Principal or Coordinating Investigator(s).....	29
24.3	Audit Certifications and Reports	29
24.4	Documentation of Statistical Methods and Interim Analysis Plans.....	29
24.5	Documentation of Inter-Laboratory Standardization Methods of Quality Assurance Procedures (if used).....	29
24.6	Publications Based on the Study.....	29
24.7	Important Publications Referenced in the Report.....	29
24.8	Compliance and/or Drug Concentration Data	29
24.9	Individual Subject Data Listings	29
24.10	IND Safety Reports	29

3. List of Abbreviations and Description of Terms

Abbreviation	Description

4. Introduction

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Duis egestas, odio in congue mattis, mauris sapien pulvinar sem, vel lacinia est tortor dignissim nisi. Mauris sollicitudin scelerisque leo vel fermentum. Donec fringilla lorem hendrerit odio dapibus, non efficitur enim tempor. Ut sagittis, felis eget tempus finibus, est mi viverra sem, vel tincidunt odio ipsum dignissim velit. Cras aliquet nulla urna, eu tristique est molestie et. Fusce auctor hendrerit dolor, eget hendrerit urna convallis nec. Curabitur efficitur est erat, ut rhoncus diam convallis nec. Fusce vestibulum, libero vel egestas interdum, augue nibh ultrices nisi, non tristique nisi ipsum a metus.

5. Objectives of the Study

6. Procedures

7. Statistical Methods

8. Personnel

Records of training and experience, as well as job descriptions for each individual engaged in or supervising the conduct of this study are maintained at the following testing facility:

Test Facility Name:	<Test Facility Name>
Test Facility Address:	<Test Facility Address>

8.1 Study Director

8.2 Other Scientists, Professional or Supervisory Personnel

8.3 Quality Assurance Unit

9. Animal Care Facilities

10. Animal Care

11. Test and Control Articles

11.1 Test and Control Article Characterization

11.1.1 Name

11.1.2 Chemical Abstract Number (or Code Number)

11.1.3 Strength

11.1.4 Purity

11.1.5 Composition

11.1.6 Other Characteristics

11.2 Stability

11.3 Methods

12. Protocol

13. Reagents and Solutions

14. Conduct of Nonclinical Laboratory Study

15. Test Systems

15.1 General Considerations on Test Systems

15.2 Use of In Vivo and In Vitro Studies

15.2.1 Dosage and Regimen

15.2.2 Route of Administration

16. Dose Levels or Concentration of Test Substance

16.1 In Vivo Studies

16.2 In Vitro Studies

17. Duration of Study

18. Safety Pharmacology Core Battery

19. Follow-Up and Supplemental Safety Pharmacology Studies

20. Circumstances that Affected the Quality or Integrity of the Data

21. Storage of Data

22. Summary and Analysis of the Data

22.1 Conclusions from the Analysis

23. References

24. Attachments and/or Appendices

24.1 Protocol and Amendments

24.2 Signatures of Principal or Coordinating Investigator(s)

24.3 Audit Certifications and Reports

24.4 Documentation of Statistical Methods and Interim Analysis Plans

24.5 Documentation of Inter-Laboratory Standardization Methods of Quality Assurance Procedures (if used)

24.6 Publications Based on the Study

24.7 Important Publications Referenced in the Report

24.8 Compliance and/or Drug Concentration Data

24.9 Individual Subject Data Listings

24.10 IND Safety Reports
